

Invitation from

Bethel Head Coach Tony Hoops

I would like to personally invite your child to participate in this summer's Bethel College Basketball Camp. The goal for our camp is to integrate your son with many of the same drills we use with our college players, in an environment that is both fun and educational. We believe this is the best way to retain what they will learn in camp, while maintaining a coach to player ratio that allows individual instruction time for each child.

We look forward to having your child spend some time with us this summer to improve his overall basketball skills within a fun and competitive camp.

SEE YOU AT CAMP THIS SUMMER!

Coach Hoops Basketball Camps Feature...

- Individual instruction time by Coach Hoops and BC assistant coaches: Jayson Artaz, Jake Meyer
- Bethel basketball players who instruct and supervise
- Competitions involving shooting games, 3on3 and 5on5
- Official Camp T-Shirt
- Skills Evaluation
- Awards
